

BECOME A SMOKE TANK PRESENTER!

New Event Announced: *Smoke Tank*

International Smoke Expo
November 28 & 29, 2018
3:30 – 5:00 p.m. in Exhibit Hall A

Do you have an idea for a new product or service for the tobacco, vapor, accessory markets that you need help launching?

Do you need the financial help of a seasoned investor that has great relationships with Manufacturers and Distributors that could help you get your new product into the Retail markets?

At *Smoke Tank* you can present your product ideas and bring along the product prototypes to show to a panel of *Smoke Angel Investors*. Tell them the kind of help you need to get it from your drawing board and onto Retail shelf space. The Smoke Angels will each decide if they want to invest in your idea. If several offers are made to you, then you choose the Angel that offers you the greatest opportunity to get your product to market.

If a Presenter accepts the offer that one of the Smoke Angel Investors has made – then it will be up to both parties and their respective Legal Counsel to make the final agreement and make a contract between you.

The purpose of *Smoke Tank* is to bring together the creator of a great product idea with a Smoke Angel Investor – who will help these tobacco, vapor and accessory products get to the Retail and Wholesale markets.

If you have a great idea and would like to apply as a Contestant, please complete this form and send it back to us. If your product idea is chosen to be presented to the Smoke Angels during the International Smoke Expo, an *entry fee of \$300* will be due and payable by August 15, 2018.
